Love gives nothing
but itself, and takes
nothing but from
itself.

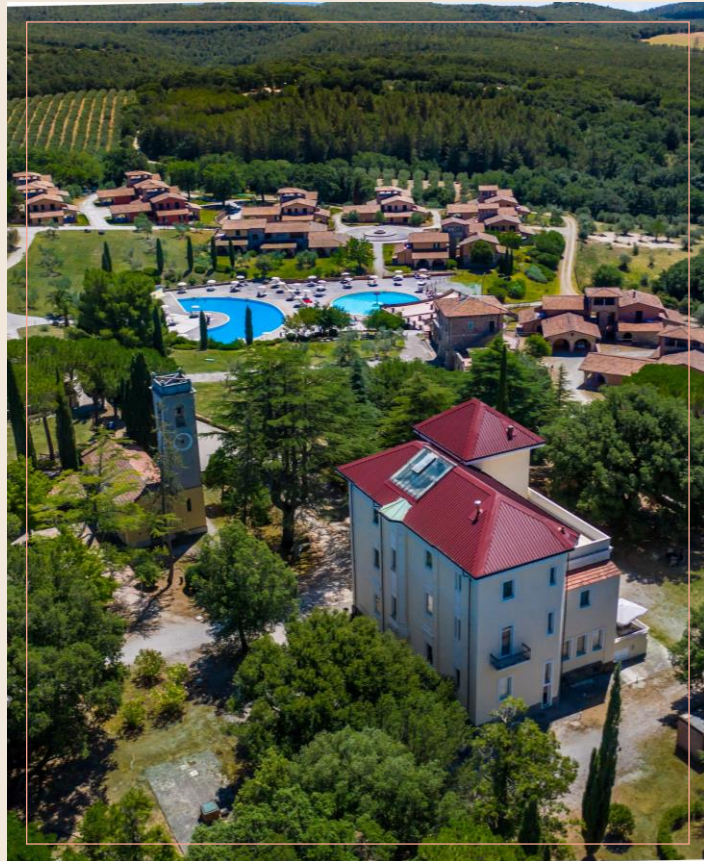

Love does not
possess, nor would it
be possessed.

Love has no other
desire but to fulfill
itself.

(Khalil Gibran)

*T*uscany... the perfect setting where to realize the dreams of love.

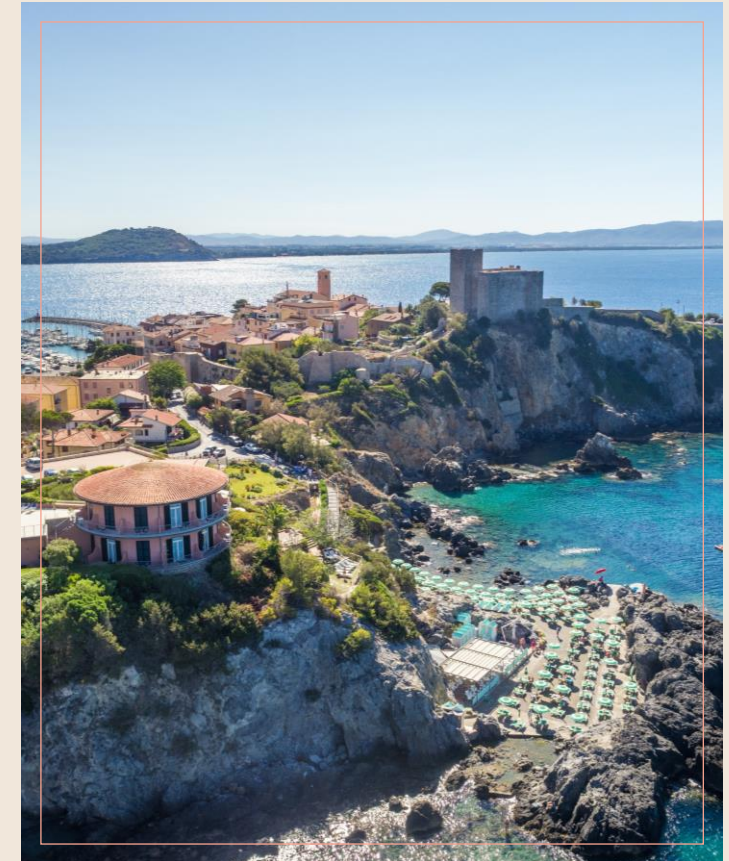

The silver of the olive trees that gives elegance to the hills enveloped by the blue sky.
Picturesque glimpses among the gentle ups and downs of the upper Maremma.
Cliffs that plunge into the turquoise sea of Talamone.

Podere Caprarecce

When fairy tales meet with the Tuscan Maremma countryside, weddings at Podere Caprarecce are born. An ancient Benedictine monastery dating back to 1600, situated in the green heart of the Maremma Park, in Talamone in the province of Grosseto, it is now a beautiful farmhouse perfect as a location for country and suggestive weddings. The large lush lawn surrounded by the scents of the Mediterranean scrub that from the hill of the Park plunges down to the foot of the olive grove, the immense golden fields, the enchanting woods of holm oaks and oaks that surround the property as far as the sea, make it possible, among the bright colours of the summer season, to organize events of all kinds.

Podere Caprarecce is the ideal place for country chic, shabby or vintage settings, to name but a few of the themes that you can choose from, all with a sure effect, thanks to the simplicity and neutral colours of the spacious and bright indoor hall.

Guests, with the bride and groom, will be surrounded by the energy of nature, where the green of the vegetation blends with the blue of the sky and the blue of the sea: the bucolic and country setting perfect for a banquet with a typical Tuscan flavour.

The staff is ready to satisfy any request, with personalized menus, wedding cake, confectionery and delicious corners to enrich the party, so that the day will be unforgettable.
