

FRANK & SERAFICO

GIN LAB  
*experience*

A woman with dark hair tied back, wearing a green beaded earring, is shown in profile, looking down at a copper distillation still. The background is a blurred distillery setting with various pieces of copper equipment.

# DISTILL *YOUR* GIN IN THE HEART OF THE MAREMMA NATURAL PARK

AN AUTHENTIC EXPERIENCE DEDICATED TO THE ART OF ARTISAN DISTILLATION IS BORN: IN THE FRANK & SERAFICO GIN LAB YOU WILL LIVE AN EXCLUSIVE JOURNEY THAT COMBINES NATURE, TRADITION AND CREATIVITY, CULMINATING IN THE CREATION OF YOUR PERSONALIZED GIN.

# A *sensory* JOURNEY BETWEEN NATURE AND TRADITION

## *Discovering the* **Mediterranean scrubland**

Guided excursion in the Maremma scrubland to discover the spontaneous aromatic plants most suitable for distillation.

## Introduction to *distillation* methods

In-depth look at the two methods used in our laboratory:

- **Classic distillation** with copper still
- **Cold vacuum distillation**, to enhance the fragrances of botanicals to the fullest

## Your *exclusive* recipe

Select botanicals, balance the aromas and **create a unique recipe**, guided by our distillers, with **real copper stills**

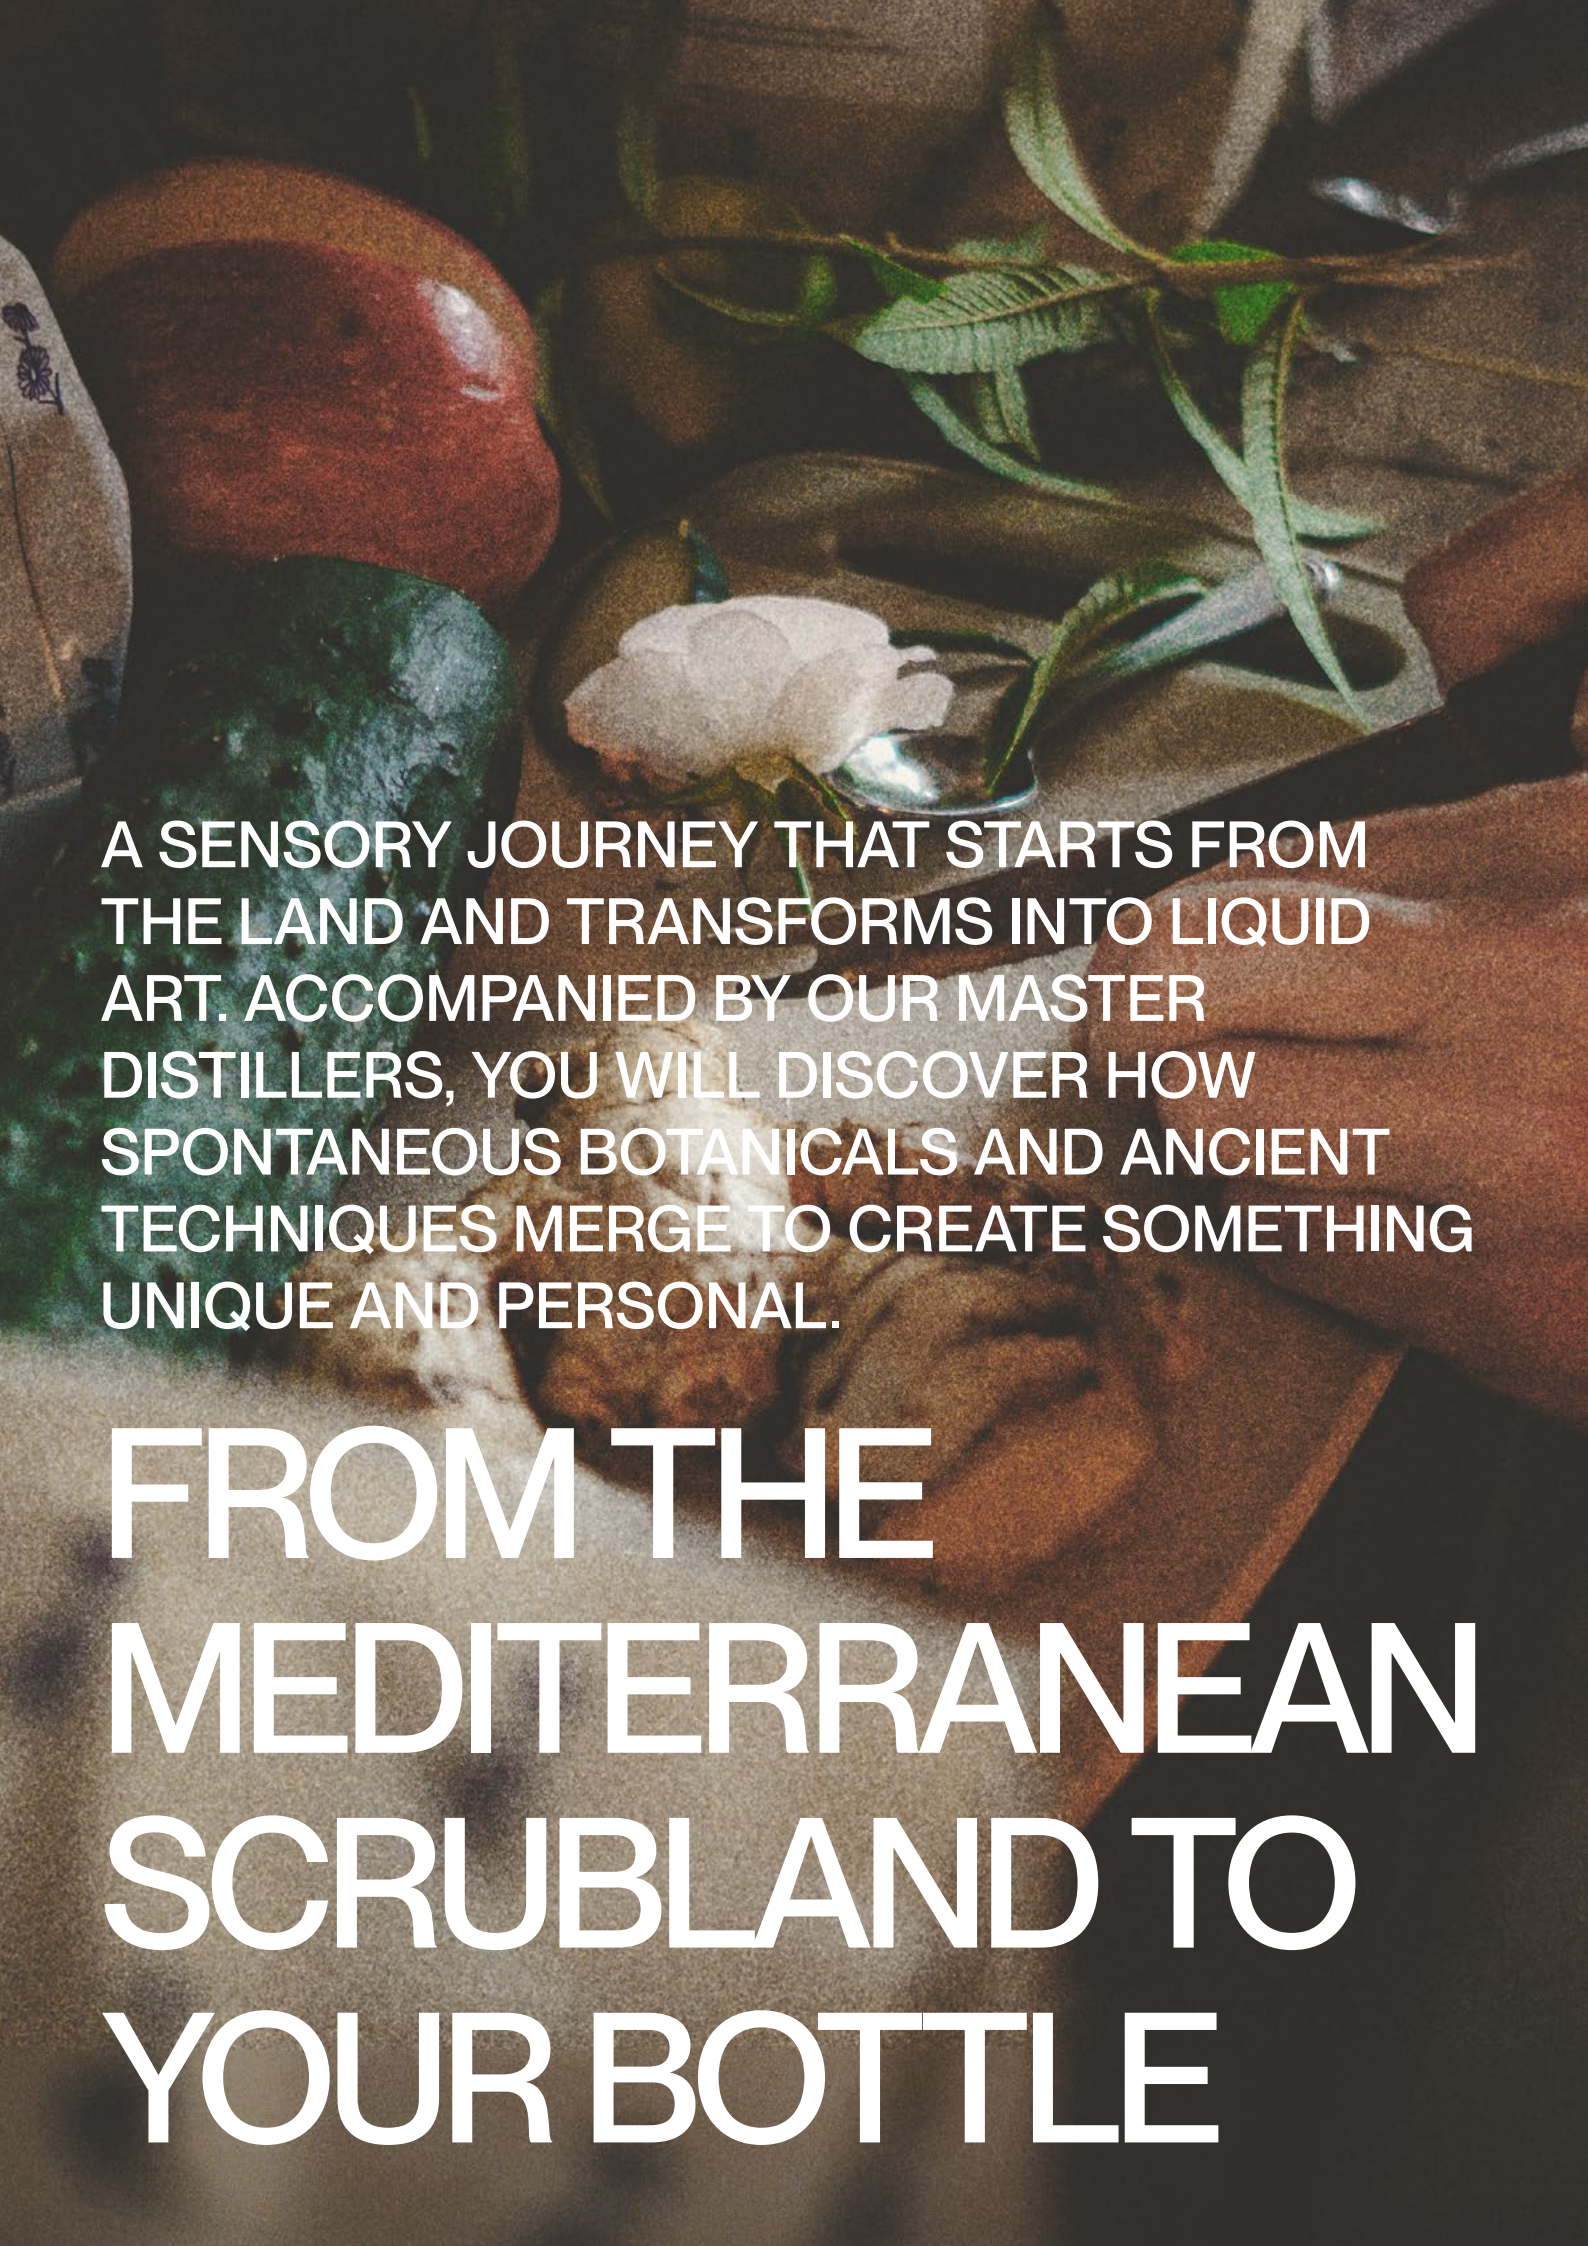

## A custom-made *bottle*

Your gin is bottled in a **700 ml bottle**, with personalized label

## *Your* gin tonic

At the end of the experience, our barman will prepare a personalized Gin Tonic, designed to enhance your botanical blend

A SENSORY JOURNEY THAT STARTS FROM THE LAND AND TRANSFORMS INTO LIQUID ART. ACCOMPANIED BY OUR MASTER DISTILLERS, YOU WILL DISCOVER HOW SPONTANEOUS BOTANICALS AND ANCIENT TECHNIQUES MERGE TO CREATE SOMETHING UNIQUE AND PERSONAL.

FROM THE  
MEDITERRANEAN  
SCRUBLAND TO  
YOUR BOTTLE
